**Online Tax Search**

Welcome to our Lakefield Township News! This is a new resource for the community to learn what is happening at our Township Hall and our area.

Lakefield Township is working with BS&A to provide our residents with an Online Tax Search. This service will greatly help individuals in providing instant and convenient access to various kinds of important information held at our local government.

This will help free up municipality personnel from fulfilling time-consuming data requests while offering constituents the ability to retrieve data outside of normal business hours. This information is available 24 hours a day, 7 days a week. Please note that all of the information will be available after 24 hours of making a change to your account.

Residents will be able to access Delinquent Online Payment information and perform a Tax Search. We are excited about this new addition to our community.

***Lakefield Township is moving forward with our technology and services!***
